 [ogalanets](https://www.linkedin.com/in/ogalanets)

Project Manager with **15+ years of experience** delivering digital platforms and hybrid cloud solutions across digital commerce, banking, aviation, health, marketing and EU innovation sectors.

Strong understanding of the full software development lifecycle. Skilled at bridging business and technical teams, supporting sales activities, delivering scalable solutions aligned with business goals.

CORE COMPETENCIES

- IT Project Lifecycle Management (Agile / Scrum / Waterfall)
- Marketing & Sales Systems (B2B/B2C Platforms, CRM-/ ERP-Systems, E-Commerce)
- Product Data & Process Governance
- Cross-Functional & Vendor Coordination
- International Stakeholder Management (EU Horizon projects)
- Risk, Budget & Quality Management

PROFESSIONAL EXPERIENCE

Senior IT Project Manager – Digital Transformation & Data Spaces, EU R&D

International Data Spaces Association (IDSA) | 2022–2025 | Germany

- Led EU Horizon digital platform initiatives (DataPACT, VELES, TRUSTS, DataBri-X).
- Managed 10+ cross-border teams delivering interoperable data systems such as data spaces.
- Oversaw development of governance and self-assessment digital platforms.

IT Project Manager – Digital Commerce (B2B, B2C, CRM)

Sanwell Group | 2019–2022 | Ukraine

- Directed delivery of B2C e-commerce (Hot-Point) and B2B procurement portal.
- Structured product catalog data, vendor onboarding workflows, and CRM-system integration.
- Coordinated Marketing, Sales, IT, and external vendors.

IT Project Manager – ERP, CRM & Digital Banking

Banking, Aviation & Software Projects | 2003–2019 | Ukraine

- Managed development of online banking platforms (B2C), client portals (B2B), and CRM-/ERP-Systems implementations.
- Delivered digital sales, automation, and customer journey optimization initiatives.
